

Kelvin McCatheran (born February 7, 1967) is a successful achiever who presently works as a Social Worker, for the Department of Family Services – Clark County, Nevada.

A University of Phoenix graduate, Kelvin McCatheran has used his educational accomplishments including a degree in Business Management and Criminal Justices, to acquire successful employment opportunities for over two decades. Offering more than 20 years of diversified experience with increasing demanding responsibilities. His work output reflects a high level of motivation, efficiency and incisive ability to meet goals and objectives.

Since the early 1990's Kelvin has owned and operated successful businesses such as; *McCatheran's Janitorial Service*, *McCatheran Construction Company* and *McCatheran Properties, Inc.* All of which has offered him the opportunity to help people and communities of all kind. Being owner of these companies has allowed Kelvin to use both his professional and educational knowledge to express his true leadership capabilities.

Kelvin has worked as an officiator for SNOA in several sports i.e. basketball and football over the past few years. This has allowed Kelvin to observe and learn about SNOA's operational procedure from many different view points; such as, officiator, assignor, and crew chief. This prospective has given Kelvin the admiration and the desire to have more of an active part in SNOA; as they continue in there positive direction as official in Las Vegas. One of the positive changes that Kelvin admired most was the crew system. Kelvin believes that with his educational, professional and personal accomplishments he will be a great asset to SNOA as vice-president, offering other great suggestion like the crew system that will be beneficial to all involved; as he and SNOA grows along side each other.

Kelvin's other accomplishments have been many as well. He is known at his current place of employment (*Department of Family Services*) as "The one that goes beyond"

A name given him by the foster care children he mentors. On a personal note; he is praised for the care and concern he's shown to neighbors in his community, while working with (*The Kingdom Hall of Jehovah's Witnesses*) where his duties consist of counseling, public speaking and project coordinating.

Kelvin is a family-orientated man that has prided himself on the importance of love, morals and values within the family unit. One of his favorite quotes, "In order to lead; one must first learn to follow."

His special skills are: Microsoft; word, excel, access, power point, computers, public speaking, reading, finance and family counseling.
