The BOC confirmed that the travel pay could not be altered from game to game based on the preference of the game officials. All assignments were covered, although there are still concerns about the overall number of officials registered for volleyball. There was discussion about troubles with the playoff format. The volleyball board has already begun having discussions with the NIAA regarding the format. The volleyball board allocated \$1,100 for Kelly McGee as the assigner, \$200 for Helen McAnany as instructor, \$200 for Bill Robinson as reimbursement for the expenses he incurs for the website, materials, etc. The remaining \$1,557.15 will go towards volleyball's available funds.

Track & Field Wrap Up Meeting

The BOC met with the track and field board (John Nowicki) to discuss the track and field season. There was discussion about CCSD wanting the starters to purchase new guns. There was concerns that water was not available for the officials/athletes, especially with the high heat. It was agreed that the BOC would approach CCSD/NIAA to discuss the concerns. There was additional discussions regarding the excessive length of the meets due to so many unofficial heats being done. SNOA will discuss limiting the number of heats, or requiring additional pay for the officials.
