

Southern Nevada Officials Association

Board of Control Meeting

Durango High School

02/09/2014

4:00pm

Meeting called to order at 4:11pm

Mike Donnelly of the Baseball Board appeared before the Board of Control to discuss a matter pertaining to Baseball.

There has been an issue collecting a rebate check from Cliff Kleen. Vince has been in contact with them to resolve the issue. Vince will keep the Board updated with the progress.

Swimming will be hiring a new assignor.

In order to comply with the new SNOA bylaws, a formal policy on how money is allocated to a particular sport for the purpose of paying the assignor and instructor will be developed.

This will be done by Susan with the assistance of Sheila.

A motion was made for Vince to speak to SNOA's attorney in order to continue to pursue money owed to the association by an American Legion sanctioned Baseball club.

The motion was seconded and approved by unanimous vote.

Meeting was adjourned at 5:30pm.
